No. L. 2579/ML 183-26-6 ***Dated Bangalore,*** 8th Nov .1927

NOTIFICATION.

Whereas by proclamation published on 4th August 1927, at Page [illegible] in English and on 11th August 1927, at page [illegible] in Kannada of the Mysore Gazette Part II and posted in conspicuous places in the Yelandur Town, it was duly announced under Sections 4 and 8 of the Municipal Regulation of 1906 as amended from time to time that it was proposed to constitute Yelandur Town i.e., the local area comprised within the limits specified in that proclamation, into a Minor Municipality and whereas no objections were made to the said proposal, the Government of His Highness the Maharaja are pleased [illegible] in the exercise of the power conferred on them by Section 4 (1) of the said Regulation to constitute the said Yelandur Town into a Minor Municipality and to declare that the boundary of the said Municipality shall on and from the 31st July 1927 be shown as hereunder:-

The boundaries of the proposed Municipality are as follows:-

North:- Commencing from the north-west corner of Yelandur [illegible] and starting towards east and again joining [illegible] in the north-east corner of it and then starting towards south and meeting the northern boundary of Survey No.20 and then turning towards west and again turning towards south in the north-west corner of the same number and passing along the north and western boundary of Survey No. 27 meets south-east corner of [illegible]. Again starting from there and passing through the east and southern boundary of Survey No.[illegible] and 40 and again passing along the eastern boundaries of Survey numbers 52 and 53 meets north-west corner of Survey number 70 of Upparamole village. And then turning towards east, runs through about 80 yards in the same number and thence turning towards south, cuts the road leading to Sri Biligiri Rangaswami Hills and passing along the Upparamole Kola which is contiguous with the Ambale Kola towards south, enters the north-east corner of Survey No.[illegible] of Ambale village thence going towards west about 90 yards, joins the [illegible] which runs along 110 yards.

South:- Starting from the end of the above [illegible] and running towards west and traversing the same [illegible] and passing along the southern boundary of Ambale [illegible] and Survey No.1[illegible] enters the same number in the south-west corner. Then leaving it in the north [illegible] direction joins the commencement of Upparamole Kola and thence passing along the river [illegible] south bank, crosses the river in the north-west corner of Survey No.2[illegible] of Ambale village and meeting the south-east corner of Survey No.[illegible] of [illegible] village and then going towards west meets the south-west corner of the same number.

West:- Starting from the south-west corner of Survey No.[illegible] meets the south bund of [illegible] Kola and passing along the same [illegible] runs towards east and then cutting the road leading to [illegible] village, passes to a distance of 60 yards and then crossing the Kola and passing along the [illegible] north bund enters the south-east corner of Survey No.111. Thence turning towards north, [illegible] through the southern boundary of Survey Nos.111 and 110, [illegible] south-east corner of Survey No.115 and then turning to [illegible] crossing the road going to [illegible] and again turning [illegible] passes along the [illegible] side of the road and cuts the [illegible]

range and leading to [illegible] village settlement. From there passing along the northern side of the same road meets the south-west corner of Survey No.257 and again entering north-west corner of the same number, turns towards east and going to the north-east corner of Survey No.262 and turning towards north passes through the western boundary of Survey Nos.280, [illegible] and 262, enters the north-west corner of the Survey No.260. and turning towards east and leaving from the north-west corner of Survey No.310 and going northwards as far as the north-west corner of Survey No.[illegible] and turning to east and entering south-west corner of Survey No.348 and going towards north to some distance and crossing the Odai in the north of Survey No.349 [illegible] south-west corner of Survey No.343 and then turning to north and passing along the western boundary of Survey Nos.340 and 341 enters the north-west corner of Survey No.342.

North:- Starting from the north-west corner of Survey No. 341 it runs eastwards and joins the [illegible] and then passing along the Odai (western side) enters the north-east corner of Survey No.337 and then turning towards east meets [illegible] road near the north-eastern corner of the same survey number and crossing the road towards north goes to the north-west corner of Survey No.781 and turning towards east and going towards north-east corner of the same survey number and again turning to north joins the north-west corner of Survey No.786 and thence turning to east goes to the north-east corner of the same number turning again to north and going towards the north-west corner of Survey No.[illegible] and thence turning towards east joins the north-east corner of the same number. Thence turning towards south crosses the old [illegible] near north-east corner of Survey No. 814, goes to the north-west corner of Survey No.[illegible] and then turning towards east crosses the river [illegible] near the north-east corner of the same number and passing along south-west corner of Survey No.10 crosses the road leading to [illegible] near the south-east corner of the same survey number and then passing along the north west corner of Survey No.42 runs through the northern boundary of Survey Nos.41, 43, 50 and 51 and enters the north-east corner of [illegible] where the eastern boundary started.
